Built over 3 floors Villa Azaria offers guests 3 spacious lounge areas all designed with the most careful attention to detail, with stylish, ultra contemporary furnishings, including interior olive trees and subtle LED lit decor, and of course a spacious dining area and a modern fully equipped kitchen. All bedrooms are sublimely splendid, and all offer either a king size or double bed and all with en-suite bathrooms.

The villa sits majestically several metres above sea level, giving you the opportunity to truly experience breathtaking views from every area of Villa Azaria, with the many spacious terraces and bespoke lounge and chill-out areas designed to enhance the spectacular location of this elegant home. The perfectly landscaped garden boasts an abundance of tropical palm trees, and an artfully designed pond filled with charming koi carp. A balinese style chillout offers privacy and a space to relax and reflect.

The many terraces include a delightful roof terrace, perfect for sunset cocktails, a barbecue and an inviting private swimming pool with unrivalled sea and sunset views. The vibrant red sun loungers and other splashes of red throughout the house add to the unique style of this exceptional home.
