Kick back and relax in this calm, stylish space. Located in the Morna Valley in the stunning North of Ibiza. It is nestled in the countryside at the end of a private road yet only 5 minutes drive away from the pretty village of San Carlos that retains the magical and true Ibiza spirit of the island. The house is an original Casa Payesa (farmhouse) which has been lovingly restored and currently offers five double bedrooms & four bathrooms on 331 m2 of property. Relax by the pool and terrace with a drink in hand and soak up the Ibiza sunshine. The house is surrounded by lush gardens and beautiful mountain views.

892 €

There are four bedrooms and three bathrooms in the La Vina Viejo main house and a separate casita which was renovated in the spring of 2022 which has a double bedroom, bathroom, living room with a log burning fire and a small kitchen.

The house has a modern, spacious kitchen that includes all the necessary appliances to make your stay comfortable. There is also a dining area which opens out onto the terrace and pool area. The living room is bright and airy and has a large sofa and flat screen TV. There is a separate TV lounge room with a large sofa and beanbags to relax and watch movies. The bedrooms are spacious and comfortable, each with its own ensuite bathroom. In addition, there is a large outdoor terrace with seating and dining area, perfect for al fresco dining and entertaining. There is also a BBQ and outdoor kitchen, perfect for those balmy summer nights.

The house also has plenty of outdoor amenities, such as an outdoor pool, sun loungers, and a large garden. The pool area is perfect for taking a refreshing dip in the hot Ibiza sun, or just relaxing and sunbathing.

Whether you are looking for a peaceful getaway or a fun vacation with friends, this beautiful home is the perfect place to stay. Enjoy the peace and tranquility of the area and the stunning views of the Morna Valley
