HaTaew Villa is a 2-bedroom villa in a quiet area of Port des Torrent, San José, close to some of the island's most stunning sunset beaches, including Cala Conta, Tarida, and the famous Cala Bassa with its elegant beach club CBBC.

This impressive, ground-floor property is nestled between stylish, Japanese-inspired gardens with lush vegetation and numerous outdoor chill-out areas, complemented by bamboo and Balinese furniture. The vibrant and exotic styling makes this home an exceptional choice.

Inside HaTaew Villa, the Far Eastern theme is continued with a modern twist and high-end fixtures and furnishings. Each room is tastefully decorated with a keen eye and sense of detail, and there are exceptional pieces of furniture and artwork. HaTaew Villa is perfect for small groups of friends or families who appreciate spectacular interior design.

Outside the Villa, guests enjoy a variety of sun-drenched and shady areas to immerse themselves in the Ibiza spirit, from a covered terrace lounge with daybeds and sofas, an al fresco dining area for entertaining friends and family, to a choice of a stylish swimming pool that snakes around the property, or a Jacuzzi with plenty of sun loungers. The grounds are as beguiling as the interior, making HaTaew Villa an idyllic choice in a particularly sought-after area.
