The house has 3 double rooms that would sleep 6 people. 2 of them contain a double bed and another with 2 single beds. In addition, one of the double bed rooms has a bathroom inside. There is also another shared bathroom for the other guests. The owners can provide a cot in case you go with babies.

After passing the main door of the house you will find the room which has a satellite TV, an a DVD player to watch movies and a stereo to go warm up engines before partying in Ibiza.

Next to the living room is the kitchen, which is fully equipped and with all the necessary utensils for a long stay. It has a gas stove, microwave, electric oven and refrigerator.

The best thing about the house is undoubtedly the garden, which is 3000 square meters. Inside you will find an outdoor pool where you can cool off when the heat picks up. The house has 6 deck chairs for sunbathing and 2 parasols. In the garden there is also a grill and a table with 6 chairs to eat what is cooked on the grill. There is also a laundry in the yard.

The heat exacerbates in Ibiza and to combat it the house is equipped with air conditioning and with bed linen and towels. The house is adapted for people with reduced mobility. The owners allow pets if they weigh less than 5 kg. With this pool, it is impossible not to take photos and the photos are made to be remembered or to be the envy of your family and friends. For this, the house has free WiFi so that you can upload them to social networks.
