Price From / Night
650 €

The villa is elegantly and luxuriously furnished and equipped. It leaves nothing to be desired for a sophisticated and relaxing holiday.

It has a beautiful and enchanting distant view of the harbour and the sea. There is sun on the terraces all day long and the evenings have wonderful light shows of the sky and beautiful sunsets. And the city lights illuminate the sky until late at night.

Equipped with 5 bedrooms and 4 bathrooms. Two bedrooms are on the upper floor, the master bedroom and another one on the lower floor with living room, kitchen and direct access to the terrace.

Separate apartment with a small kitchen and bathroom, which is perfect for additional guests or a nanny.

BBQ area, pool overlooking the bay of St. Antonio. There are various chill-out areas and retreats.

Perfect for a large group of friends or family

It's full equipped with security system, barbecue, big cared garden, carport, electric gate, Wlan, fireplace.
