Attractions : beach, family activities, and nightlife. You'll love my place because of the spectacular views, the outdoor areas, brightness and its strategic location; near Ibiza Town (old town seen from one of the terraces), Destino, Pacha, Talamanca and s'Estanyol beaches... but enough distance to enjoy absolute tranquility. My accommodation is suitable for couples, adventurers, families (with children), and groups of friends. If tired of moving around, free access to Netflix is available.

Free WiFi throughout the property, Can Panorama is a holiday home, set in Talamanca. Offering free private parking, the holiday home is 1.6 km from Talamanca Beach.

The property features 4 bedrooms with bathrooms, a well-equipped kitchen, a living room, 3 terraces and a garden. This bright house also comes with air conditioning, TV and if your are tired of moving around ... free access to Netflix.

Big communal swimming pool with sea views. (Pool is almost always completely available as if it would be private).
