360 €

In addition, the holiday home was equipped with a children's playground, barbecue area, chill-out outside bed, and your leisure time fun was also taken care of here. The holiday home has a floor space of approx. 165m² with 3 bedrooms built on one level, is suitable for 6 people and has air-conditioned rooms. A rural, Ibizan country style determine the furnishing style. From the country kitchen, which is equipped with a dishwasher, washing machine and oven, you enter the dining/living room with a flat-screen satellite TV. 2 bathrooms with shower and toilet

A cot can be provided for guests with small children.

The house is designed for ten people in five bedrooms with four bathrooms. For political reasons on the island, the public application is currently limited to six people! Prices for ten people only on request!

A welcome pack with fruit, bread and drinks are a matter of course here.

Puig d'en Valls is an old name of the hill just opposite Ibiza port. Here you live absolutely central on the island and yet in the country. From the terrace you can see the city lights in the evening with the illuminated Ibiza Fortress.
